**Item 8.01. Other Events**

On April 23, 2018, Mitel Networks Corporation (“Mitel”), entered into an Arrangement Agreement (the “Arrangement Agreement”) to be acquired by MLN AcquisitionCo ULC, a British Columbia unlimited liability company (“Purchaser”), formed by funds advised by affiliates of Searchlight Capital Partners, L.P. (“Searchlight”). Purchaser has obtained debt financing commitments to fund part of the acquisition costs required to complete the transactions contemplated by the Arrangement Agreement, including the Arrangement. In connection with marketing the loans provided under such debt financing commitments, Purchaser intends to disclose certain financial information of Mitel to prospective lenders. Mitel is filing this current report on Form 8-K in order to publicly disclose such information.

Information presented below consists of (1) U.S. GAAP results for the five and twelve months ended May 31, 2018, (2) pro forma results for the twelve months ended May 31, 2018 that include the operations of ShoreTel, Inc. (“ShoreTel”), which was acquired by Mitel on September 25, 2017, as if the acquisition of ShoreTel by Mitel had been completed on January 1, 2017, and (3) the operations of DeTeWe Communications GmbH (“DeTeWe”), the Company’s former German systems integration business, which was sold by Mitel on April 30, 2018, for the five and twelve months ended May 31, 2018 and the five months ended May 31, 2017. Such information is unaudited and should be read in conjunction with Mitel’s historical financial statements included in Mitel’s Annual Report on Form 10-K for the year ended December 31, 2017 and in Mitel’s Quarterly Report on Form 10-Q for the quarter ended March 31, 2018 filed with the SEC and Canadian securities regulatory authorities on February 28, 2018 and May 3, 2018, respectively. The pro forma results presented are not necessarily indicative of results that actually would have occurred had the acquisition of ShoreTel by Mitel been completed on January 1, 2017 or of results that may occur in the future. Readers are cautioned that actual results may differ materially.

Information presented below for the five months ended May 31, 2018 and for the twelve months ended May 31, 2018 includes preliminary results for the two-month period ending May 31, 2018. In addition to being preliminary, such financial information is unaudited, subject to change and not necessarily indicative of results that Mitel will actually achieve for the quarter ended June 30, 2018 or the year ended December 31, 2018.

In addition, Mitel does not regularly report results for monthly periods during a quarter and the information presented below was prepared solely to assist Purchaser in connection with its debt financing. Readers are cautioned that such information for the two-month period ending May 31, 2018 is preliminary and that actual results may differ materially.

## Non-GAAP Financial Measurements

This current report on Form 8-K includes references to non-GAAP financial measures, including Adjusted EBITDA. Non-GAAP measures are among the primary indicators management uses as a basis for our planning and forecasting of future periods. Investors are cautioned that non-GAAP financial measures should not be relied upon as a substitute for financial measures prepared in accordance with U.S. generally accepted accounting principles. Please see the reconciliations of non-GAAP financial measures to the most directly comparable U.S. GAAP measure included in this report. In addition, we encourage you to evaluate the adjustments and the reasons we consider them appropriate, as well as the material limitations of non-GAAP measures and the manner that we compensate for those limitations, as described in *Item 6. Selected Financial Data* in our Annual Report on Form 10-K filed with the SEC and Canadian securities regulatory authorities on February 28, 2018.
